## MISCELLANEOUS ACTION

### *Response to Amendment*

1. The reply filed on February 21, 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

First, the rejection to claim 1, line 5 has not been sufficiently addressed, particularly in view of the apparently conflicting descriptions for the sides in claim 1 versus that now set forth in claim 3. 

Second, the rejection to claim 1, line 9  has not been sufficiently addressed, particularly since it remains unclear as to what is being driven, and it is suggested to simply change "driving" to --conveying-- or the like.

Third, the rejection to claim 11  has not been addressed.

Fourth, it is not clear as to whether it is intended to cancel claim 10,  particularly since there is no clear instruction to do so (as was provided for claims 6-8 on page 4).

Lastly, it is noted that the changing of the dependency of claim 5  has obviated the antecedent basis problem for "said second carriages", but has created an antecedent basis problem for "said first carriages".

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid
